MATTVOAK.VFX@GMAIL.COM

Strong and motivated self-taught visual effects artist with a collaborative attitude, looking for an opportunity to gain professional experience and expand his skills in digital compositing both independently and as part of a team; use his creative and technical skills to the best of his ability to make a positive impact within your company.

AREAS OF EXPERTISE

My primary skill set includes paint/roto, keying, camera projection, and camera tracking- utilising 2D and 3D methods within Nuke. Additionally, I have experience with CG integration and particles FX in Nuke. I have a basic level of experience with Linux and Python.

- Good eye for detail, composition, and colour.
- Foundational art skills include sketching, photography, and an understanding of light.
- Intermediate knowledge of Nuke and the post-production pipeline.

EXPERIENCE

Motion Graphics Designer, Hamilton-Brown - 2022-present

Motion graphics animation for brands and agencies, focusing on a variety of content including explainer videos, brand films, web animations, etc. Working collaboratively and effectively as part of a large digital agency to meet tight deadlines. Working in After Effects, Illustrator, and Blender.

Junior Motion Graphics Designer, RD Content - 2021-2022

Utilising skills in 2D animation and visual effects to create high-level content for brands and clients. Exposure to a wide range of projects, communicating and collaborating as part of a large post-production team to deliver projects with fast turnarounds. Working in After Effects, Nuke, and Cinema4D.

Creative Video Editor, Voxpopme - 2017-2021

Creating marketing video content for Voxpopme's website and social channels. Utilising video editing, motion graphics, videography, and occasionally graphic design, with collaboration with executive and marketing teams.
