

Motivated motion graphics artist with a collaborative attitude who enjoys working as part of a team or on his own initiative, looking for a new and challenging opportunity to gain experience and expand his skills as an artist, and use his creative and technical skills to his best of his ability to make a positive impact within your company.

## AREAS OF EXPERTISE

My primary skill set includes video editing and motion graphics, including 2D animation and other experience in 3D animation. Additionally, I have skills and knowledge in visual effects and digital compositing. My wide range of skills in the post-production space allows me to think outside the box and expand opportunities in the work I produce.

- Good eye for pacing, detail, and composition.
- Foundational art skills include sketching, photography, and an understanding of light.
- Expert knowledge of After Effects and Premiere Pro.

## EXPERIENCE

### Motion Graphics Designer, Hamilton-Brown - 2022-present

Motion graphics animation for brands and agencies, focusing on a variety of content including explainer videos, brand films, web animations, etc. Working collaboratively and effectively as part of a large digital agency to meet tight deadlines. Working in After Effects, Illustrator, and Blender.

### Junior Motion Graphics Designer, RD Content - 2021-2022

Utilising skills in 2D animation and visual effects to create high-level content for brands and clients. Exposure to a wide range of projects, communicating and collaborating as part of a large post-production team to deliver projects with fast turnarounds. Working in After Effects, Nuke, and Cinema4D.

### Creative Video Editor, Voxpopme - 2017-2021

Creating marketing video content for Voxpopme's website and social channels. Utilising video editing, motion graphics, videography, and occasionally graphic design, with collaboration with executive and marketing teams. All content created in After Effects, Premiere Pro, Illustrator, and Photoshop.
