

Creative and versatile Motion Graphics Designer with a passion for visual storytelling, design, and animation. Experienced in transforming creative concepts into high-quality and engaging content, with a strong ability to develop ideas from concept through to delivery. Working collaboratively as part of a team or on his own initiative to make a positive impact within your company.

AREAS OF EXPERTISE

Expertise is primarily focused on 2D motion graphics and animation, with a keen interest in developing 3D skills, with other skills and experience across video editing and digital compositing, allowing a flexible approach to every project.

- Good eye for pacing, detail, and composition.
- Strong understanding of motion design, video editing, and post-production workflows.
- Foundational art skills including sketching, storyboarding, and photography.
- Expert knowledge of After Effects and Premiere Pro.

EXPERIENCE

Motion Graphics Designer, Hamilton-Brown - 2022-present

Working at a high level to craft engaging explainer videos, brand films, web animations, and digital magazine experiences. Working collaboratively and effectively as part of a large digital agency to meet tight deadlines. Working in After Effects, Premiere Pro, Illustrator, Blender.

Junior Motion Graphics Designer, RD Content - 2021-2022

Combining skills in motion graphics and visual effects to deliver polished creative work within a large post-production team. Worked effectively in a fast-paced environment, managing challenging deadlines while maintaining attention to detail. Working in After Effects.

Creative Video Editor, Voxpopme - 2017-2021

Creating marketing video content for Voxpopme's website and social channels. Utilising video editing, motion graphics, videography, and occasionally graphic design, in collaboration with executive and marketing teams. All content created in After Effects, Premiere Pro, Illustrator, and Photoshop.
